

Android Mobile Email Setup

1. From your home screen, tap Settings.
2. Tap Accounts.
3. Tap Add account.
4. Tap Exchange.
5. Enter your full salud email address, for example username@salud.unm.edu.
6. From the Health Sciences login window, enter your HSC Net ID password and tap Sign in.
7. You will be prompted to authenticate your account through Multifactor Authentication (MFA). For more information, follow this link: <https://hsc.unm.edu/about/cio/technology-support/mfa.html>
